

commonsku Community

At commonsku, we're more than just software.

In addition to the commonsku software application, we have built an [entire ecosystem](#) that supports the modern promotional products professional.

The commonsku community features over 5000 forward-thinking distributors and suppliers who are invested in a better way to work together. Need advice, a mentor, or a helping hand? You'll never be left in the dark when you join commonsku's community. Our Connected Workflow provides suppliers and distributors with a more efficient way to do business, allowing you to truly collaborate with the suppliers you love and create relationships with new trusted partners!

At [commonsku's best-in-class events](#), we host hundreds of distributors and supplier professionals from around the world, in-person and online. To supplement this education, the commonsku blog contains a mix of our sales and marketing series, episodes of our podcast, skucast, and the occasional video from one of our events.

commonsku is an effortless business management platform that empowers you to process more orders and handle more business. Learn more about our Community and other game changing features by [requesting your 1-on-1 meeting today!](#)
